We've said wine is like music. There are many different genres and styles. And "best" is more a question of taste than absolutes. We craft authentic wines with real character that reward those with the patience to explore a wine and watch it develop and change as the evening unfolds.

Our Chardonnay is always special and somehow manages to show the best each vintage has to offer. For 2010, the aromas are very classic - "no doubt Chardonnay" ... with floral notes and tropical fruit. The cool growing season resulted in a racy wine with brilliant natural acidity. This brightness is balanced by the rich, layered flavors of mango, pear, hazelnut, white pepper and spice. It is a pure expression of the 2010 vintage from our vineyard and one of our favorite wines we've made. Our only regret is that yields were so low, limiting production.

In this exceptional vintage, we dubbed the reserve-quality wine "Jory Slope" in recognition of the soil in which the own-rooted vines grow. This block has bright orange/red soil and is one of the steepest and highest in our vineyard.

The wine is a bit like a classic bossa nova: Elegant and light on its feet, but with a spicy, earthy beat that makes us want to dance.
