We've said wine is like music. There are many different genres and styles. And "best" is more a question of taste than absolutes. We craft authentic wines with character that reward those with the patience to explore a wine and watch it develop and change as the evening unfolds.

Lia's Vineyard is a series of slopes and benches. Our "Jory Bench Reserve" highlights fruit from own-rooted Pommard and Wädenswil vines growing on a fine bench of Jory soil at the top of the vineyard. The exuberant nose of our 2016 Jory Bench Reserve prepares you for the rich, red fruit on the palate. The finish is long and lingering with a touch of grip.

This wine reminds us of our favorite rock music from the seventies - approachable but something we find enjoyable on repeat visits.
