We've said wine is like music. There are many different genres and styles. And "best" is more a question of taste than absolutes. We craft authentic wines with character that reward those with the patience to explore a wine and watch it develop and change as the evening unfolds.

Our flagship bottling features fruit from every corner of our vineyard. We think it brings the best of all worlds together as it combines Pommard and Wadenswil selections with Dijon clones and different soil types to give a complete picture of Lia's Vineyard in one bottle. The bouquet is classic pinot noir with a note of bramble on the palate and a whisper of oak on the finish.
